

0,0% LOW CALORIE SPARKLING WINE

Description of the product In 2011 we launched our first alcohol free sparkling drink after two years of technical and market research and winemaking trials. In 2016 we renewed not just the presentation but the taste of this Product until we achieved the perfect tasting profile. In 2022 we take another step, reducing the sugar level (from 54gr to 38gr) to achieve a low calorie wine and being a Vegan friendly wine.

Analysis Ehtanol: < 0.05% vol.

Residual Sugar: 38 g/l - 19 kcal

Vegan: yes

Region of origin Wine from Spain.

Category Alcohol free Sparkling wine.

Grape variety Cuvée of selected classic grape varieties from traditional wine regions (Airen dominating)

Vintage NV

Winemaking We did tests on different ways of de-alcoholisation, and have chosen a top technology which de-alcoholises at a low temperature, with a vacuum distillation, retaining the characteristics of the wine.

Tasting note Pale bright yellow colour with fizzy bubbles. On the nose there are refreshing tropical notes and elegant citrus hints. The palate it is clean, fruity, and especially refreshing. The very well balanced acidity and the medium size bubbles produce a pleasant mouth feel.

Food pairings Appetizers, Grilled goat cheese salad, sushi, Fried chicken wings with chips.
